

No. 001CPR2013-6-6

1. *Single identification code of the product-type:*  
**Fire protective products**
2. Identification of the construction product, in conformity with section 11 § 4 of Regulation (EU) N° 305/2011 :  
**Isolatek® Type300**
3. Intended use(s) of the construction product:  
**Type 3: Fire Protective Products to protect load-bearing concrete elements**  
**Type 4: Fire Protective Products to protect load-bearing steel elements**
4. Name, corporate name or registered trade mark and contact address of the manufacturer, according to section 1.1, paragraph 5 Regulation (EU) N° 305/2011:  
**Isolatek International**  
**41 Furnace Street**  
**Stanhope, NJ USA 07874**
5. *If applicable, name and contact address of the agent whose mandate covers the tasks concerned by section 12, paragraph 2:*  
**N/A**
6. The assessment and verification system(s) of the constancy of performance of construction products, in conformity with annex V of Regulation (EU) N° 305/2011:  
**System 1**
7. When the declaration of performance relates to a construction product covered by a European Technical Assessment:  
**SINTEF Building and Infrastructure has issued the ETA 10/0316 on the basis of ETAG 18 part 1 and part 3**  
**And**  
**Efectis France (Notified Body Identification N° 1812) has carried out according to system 1:**
  - i. the determination of the product-type on the basis of tests of type (including sampling),
  - ii. an initial inspection of the production factory and of the factory production control,
  - iii. a permanent surveillance, assessment, and evaluation of the factory production control**and has issued certificate of constancy of performance n° 1812-CPR-0142**

## 8. Declared performances

| Essential characteristics<br>(see note 1) | Performances<br>(see note 2) | Harmonized technical specifications (see note 3) |
|---|------------------------------|--|
| Reaction to fire                          | A1                           | ETAG 018 part 1 and part 3                       |
| Fire resistance                           | ETA – 10/0316                |  |
| Air and/or water permeability             | NPD                          |  |
| Release of dangerous substances           | NPD                          |  |
| Mechanical resistance and stability       | NPD                          |  |
| Resistance to impact / movement           | NPD                          |  |
| Adhesion                                  | NPD                          |  |
| Airborne sound insulation                 | NPD                          |  |
| Sound absorption                          | NPD                          |  |
| Impact sound insulation                   | NPD                          |  |
| Thermal properties                        | NPD                          |  |
| Water vapour permeability                 | NPD                          |  |
| Durability                                | Type : Z2                    |  |

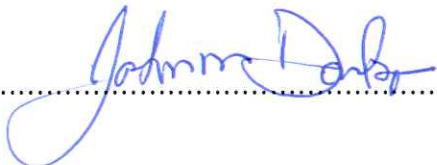

9. The performances of the product identified in items 1 and 2 are in conformity with the declared performances stated above.

This declaration of performances is established under the sole responsibility of the manufacturer identified in item 4.

Signed by authority and on behalf of the manufacturer:

Name and qualification ..... John M. Danko - Vice President of Technology .....

Date and location of issuance ..... July 1, 2013 Stanhope, NJ USA .....

Signature .....  .....
